

Public Speaking Coaching Programs

Rick Kutcher
CONSULTING

Executive Presence

For senior leaders and high-level professionals who need to command the room, communicate with authority, and lead with confidence.

You'll learn how to:

- Speak with clarity under pressure
- Project confidence without sounding rehearsed
- Deliver messages that land with impact

Professional Influence

For professionals who want to elevate how they present ideas, lead conversations, and influence outcomes.

You'll learn how to:

- Structure your message so people actually listen
- Communicate complex ideas simply and clearly
- Build credibility in every interaction

Essential Impact

For individuals building a strong foundation in communication, confidence, and presentation skills.

You'll learn how to:

- Organize your thoughts and speak more clearly
- Reduce anxiety and feel more natural speaking
- Engage your audience instead of reading to them
